Hand Writing Competition , Plantation , Rain Dance Party

Story - A Monkey and two cats

Once open a time two cats found a piece of bread. They cut it to two pieces. But one piece was bigger. Both wanted the bigger piece. Then they went To a monkey to solve the matter. The monkey said, "Don't worry, I' will make both the pieces equal. Then it took a bite from a bigger piece . Then the other one was bigger, so it took one bite from the other piece. Thus, the monkey eat the two pieces and he smartly finished the bread and ran away.
